

Privacy Policy

Joy Diary:

We collect personal information from you, including information about your:

Name
Location (Only as you record a moment of joy.)
Moments of Joy

We only do this with your permission when you access the capsule for the first time, if the amount of data that we collect changes you will be notified.

We collect your personal information in order to:

Provide you with a service.

We collect the minimal amount of data possible.

Providing some information is optional. If you choose not provide location , we'll be unable to provide you with the full interaction of our service.

However we don't require that you use your real name when using Joy Diary. We do not verify your identity with any third party's

We keep your information safe by storing in a secure online data-base and there is very limited access to this data store. Only high level employees have access under limited circumstances.

We may analyze your data but no data will be given to third parties.

Your data will be removed if you are an inactive user for two years.

You have the right to ask for a copy of any personal information we hold about you, and to ask for it to be corrected if you think it is wrong, or deleted. If you'd like to ask for a copy of your information, or to have it corrected, or deleted,

Please contact us at hello@talkingtools.nz
